Subject: Request to name a new Radiation Safety Officer-NRC license no. 24-32814-01
Date: Thursday, October 6, 2022 1:51:00 PM

Good afternoon,

I reviewed your request dated August 23, 2022, to change the Radiation Safety Officer (RSO) to Jeff Zurbriggen.

In a signed and dated letter, please provide the following information:

1. Please provide the topics covered during the RSO training that Mr. Zurbriggen completed on June 28, 2022 (e.g. class syllabus)
2. Please provide the date/s and location of supervised, hands-on training involving:
 - operating procedures and security procedures
 - test runs of emergency procedures
 - routine maintenance
 - lock-out procedures
3. Please provide contact information (phone number/s, email address) for the proposed RSO.

Please provide the information by October 27, 2022. You may submit your response directly to me via email.

Please acknowledge receipt of this email and let me know if you have any questions.

Thank you
