This notification is to inform the NRC and to satisfy the requirements of 10 CFR 30.36(d)(4). No principal activities under this License 47-32191-01 have been performed since 10/20/2020, 24 months. The Radiographic camera (1) and all sealed sources of radiation (1) were properly transferred to QSA Global on 10/20/2020. QSA Receiving reports are on file and were presented to NRC field inspectors during our last two annual compliance inspections in 2021 and 2022. Due to Covid-19 and being in this business since 1988 we have no intention of starting up again but do not wish at this time to terminate this license. We also understand that we will be responsible for the annual license fee until this license is terminated or a transfer of ownership is completed and recognized by the Commission. If you have any questions please contact us by email at: [Ramblinacres@frontier.com](mailto:Ramblinacres@frontier.com) or telephone (304)372-1395, or cell number (304) 532-0741. Please also send a return email acknowledging the receipt of this correspondence. Thank You.

Respectfully,

Gary J. Gwisdalla RSO
