Note: Numbers may not add due to rounding.

<sup>1</sup> The FY 2022 Explanatory Statement identified this control point as the "Integrated University Program". Division Z of the Consolidated Appropriations Act, 2021 replaced the Integrated University Program with the University Nuclear Leadership Program.

<sup>2</sup> Office of the Commission is part of the Corporate Support control point.

<sup>3</sup> Advanced Reactor Regulatory Infrastructure Activities is part of the Nuclear Reactor Safety control point.

<sup>4</sup> FY 2022 supplemental appropriation from the Additional Ukraine Supplemental Appropriations Act, 2022, P.L. 117-128, enacted May 21, 2022.

<sup>5</sup> The agency is operating under the Continuing Appropriations and Ukraine Supplemental Appropriations Act, 2023; therefore the rate for operations is based on the FY 2022 total annualized rate (i.e., the FY 2022 enacted levels).

<sup>6</sup> This is not part of the \$16,000K of carryover that was authorized for use by the FY 2022 Explanatory Statement.

<sup>7</sup> Due to the structure of this report, there are some non-feebased funds included in this row.

<sup>8</sup> University Research & Development and Nuclear Science & Engineering Grant Program comprised the Integrated University Program control point before FY 2021.

<sup>9</sup> The beginning balance includes end-of-year adjustments (e.g. OIG expiring funds) subsequent to September 30, 2022.
