

November 9, 2022

ATTN: Document Control Desk
U.S. Nuclear Regulatory Commission
Washington, DC 20555-0001

REFERENCE: Docket Number 50-186
University of Missouri-Columbia Research Reactor
Renewed Facility Operating License No. R-103

SUBJECT: Written communication as required by Technical Specification 6.6.d(2), "Other Reports,"
regarding a change in University of Missouri-Columbia Research Reactor organization
involving the Reactor Facility Director

This is a written report as required by University of Missouri-Columbia Research Reactor (MURR)
Technical Specification 6.6.d(2), "Other Reports," regarding a change in University of Missouri-Columbia
Research Reactor organization involving the Reactor Facility Director.

Effective November 8, 2022, Dr. J. David Robertson is no longer the permanent Reactor Facility Director.
An interim director, Matthew Sanford, has been appointed pending the identification of a new
permanent Reactor Facility Director.

Regards,

A handwritten signature in blue ink that reads "Matthew R. Sanford".
