I, Jason Day, General Counsel, Holtec Decommissioning International, LLC do hereby affirm and state:

1. I am General Counsel of Holtec Decommissioning International, LLC;
2. I am authorized to execute this affidavit on behalf of Holtec International and Holtec Decommissioning International, LLC (collectively “Holtec”);
3. Applicant’s Initial Statement of Position in the captioned proceeding and all supporting exhibits that are marked confidential in accordance with the Protective Order Governing Disclosure of Proprietary Materials are subject to withholding from public disclosure under the provisions of 10 CFR 2.390(a)(4) and the terms of the Protective Order.
4. Pursuant to the terms of the Protective Order, all documents marked as confidential shall be served as a “Non-Public Submission” via the Commission’s E-Filing system, including any exhibits or pleadings that contain or reference such documents.

5. Without limiting the application of the Protective Order, and for the avoidance of doubt, these documents and materials contain confidential commercial and trade secret information, the disclosure of which would adversely affect Holtec.
6. This information has been held in confidence by Holtec. To the extent that Holtec has shared this information with others, it has done so on a confidential basis.

8. Public disclosure of this information would cause substantial harm to Holtec's business interests because such information has significant commercial value to Holtec and its disclosure could adversely affect other Holtec transactions.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.
