Subject: General License Report for Previous Calendar Quarter, License # 53-0724

Dear GLTS Coordinator,

In accordance with 10 CFR 32.52, Thermo Process Instruments L.P. is providing this quarterly report for your review. This report is provided to the US Nuclear Regulatory Commission, and pertinent portions are provided to each Agreement State as required above. Please note that this report contains all domestic general license distributions and may include those made to licensees in Agreement States but licensed by the NRC due to Exclusive Federal Jurisdiction.

There were no generally licensed devices I distributed from the Thermo Process Instruments L.P. facility at the address above under the provisions of Massachusetts radioactive materials license # 53-0724.

If you have any questions regarding this report, please contact James Blute at (978) 337- 4517.

James Blute  
Radiation Safety Officer

NMSS10  
NMSS

The following is a report of generally licensed devices distributed into your state/jurisdiction in the previous Quarterly report period (refer to reporting date below) from the Thermo Process Instruments L.P. facility at 27 Forge Parkway, Franklin MA 02038. These distributions were performed under Massachusetts Radioactive Materials License # 53-0724. For additional information contact our Radiation Safety Group at 978-337-4517.
