Attention: Mr. Jason vonEhr

Subject: New NRC License request for additional information, mail control No. 633492

This is in reference to additional information requested for a new NRC license, with assigned license No. 09-35689-01. The following information requested is listed below:

The name and mailing address of the applicant is Southern Earth Sciences, Inc., 7500 McElvey Road, Suite A, Panama City Beach, FL 32408. We would like to confirm a request for a temporary jobsite at the same location as the mailing address of the applicant.

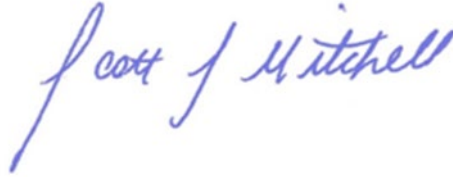

We do not intend to provide radiation monitoring devices to our staff. We will maintain, for inspection by the NRC, documentation demonstrating that unmonitored individuals are not likely to receive a radiation dose in excess of the limits in 10 CFR 20.1502(a).

Notwithstanding the procedures in use in other jurisdictions, we will implement and maintain the operating, emergency, and security procedures in Appendix G to NUREG-1556, Volume 1, Revision 2, Consolidated Guidance About Materials Licenses: Program-Specific Guidance About Portable Gauge Licenses. Copies of these procedures will be provided to all gauge users and will be available at each jobsite.

Should any additional information be required, please advise.

Yours Very Truly,

SOUTHERN EARTH SCIENCES, INC.
