

December 23, 2022

Mr. Jose Cuadrado, Project Manager  
Division of Fuel Management  
Office of Nuclear Material Safety and Safeguards

Docket Number: 72-1051

Subject: Holtec International HI-STORE CIS (Consolidated Interim Storage Facility)  
Additional Supplemental Information

Mr. Cuadrado,

Holtec appreciates the staff continued review of the HI-STORE CISF application. It has been brought to our attention that a minor change to the settlement report would be helpful to the staff's review. This letter provides the updated Safety Analysis Report in Proprietary and Non-Proprietary version as well as the updated proprietary calculation package. Since some of these attachments are considered proprietary, attachment 4 contains an affidavit pursuant to 10CFR2.390 requesting that this information be withheld from public disclosure.

If you have any questions, please contact me at [k.manzione@holtec.com](mailto:k.manzione@holtec.com) or (856) 797-0900 ext. 3951.

Sincerely,

A handwritten signature in blue ink that reads "Kim Manzione".

Kimberly Manzione  
Director of Licensing – NMSS Projects  
Holtec International
