Idaho Falls, ID 83404

**SUBJECT: RESPONSE TO NRC INSPECTION REPORT 030-39202/2022-001 AND NOTICE
OF VIOLATION AND EXERCISE OF ENFORCEMENT DISCRETION**

Dear Derrick Swaner:

On November 25, 2022, the U.S. Nuclear Regulatory Commission (NRC) cited Idaho Falls Community Hospital, LLC for a violation for exceeding possession limits of certain radionuclides. Inspection Report 030-39202/2022-001 with enclosed Notice of Violation required you to respond in writing within 30 days (NRC Agencywide Documents Access and Management System (ADAMS) Accession No. ML22327A189). You responded by letter dated December 1, 2022 (ADAMS Accession No. ML22362A085).

After reviewing the information that you provided in your response to the Notice of Violation, we have concluded that your completed and proposed actions appear to adequately address the regulatory noncompliance described in the Notice of Violation. We will review your implementation of these corrective actions during a future inspection to determine whether full compliance has been restored and whether compliance will be maintained.

In accordance with 10 CFR 2.390 of the NRC's "Agency Rules of Practice and Procedure," a copy of this letter will be made available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

A handwritten signature in black ink that reads "Lizette Roldán-Otero".
