

January 20, 2023

Mr. Jose Cuadrado, Project Manager
Division of Fuel Management
Office of Nuclear Material Safety and Safeguards

Docket Number: 72-1051

Subject: Holtec International HI-STORE CIS (Consolidated Interim Storage Facility)
Additional Supplemental Information

Mr. Cuadrado,

Holtec appreciates the staff continued review of the HI-STORE CISF application. It has been brought to our attention that some minor modifications to the licensing documents would assist the staff in making the needed findings. This letter provides a summary of those minor modifications, the updated Safety Analysis Report in Proprietary and Non-Proprietary versions, and two updated proprietary calculation packages. Since some of these attachments are considered proprietary, attachment 6 contains an affidavit pursuant to 10CFR2.390 requesting that this information be withheld from public disclosure.

If you have any questions, please contact me at k.manzione@holtec.com or (856) 797-0900 ext. 3951.

Sincerely,

A handwritten signature in blue ink that reads "Kim Manzione".

Kimberly Manzione
Director of Licensing – NMSS Projects
Holtec International
