Subject: Product transfer report in accordance with 10 CFR 40.53(c)(1)

Licensee: ORS Nasco, LLC, 907 S. Detroit Ave., Tulsa, OK 74120

License Type and Number: Exempt Distribution License No. 35-35647-01E

Authorized Use: In accordance with 10 CFR 40.52, and 10 CFR 40.13(c)(10)(ii), the licensee is authorized to distribute pre-packaged tungsten electrodes, containing thorium, to persons exempt from licensing under 10 CFR 40.13(c)(1)(iii).

To whom it may concern,

Attached to this message and on the following page is a Product Transfer report by product number for 2% Thoriated Tungsten Welding Electrodes. As reflected in the report, no products containing licensed material were distributed, no transfers of byproduct or source material were made for use under the applicable exemption during the reporting period. Our company continues to evaluate the market and sourcing options. We will maintain an active Exempt Distribution license with the NRC and continue following requirements until final determinations are made.
