**Subject:** Revised Estimates for Hatch RPV Studs LAR

**Importance:** High

Good afternoon Adam,

By email dated September 15, 2022 (ML22258A153), the NRC staff accepted the Hatch 'RPV Studs' LAR for review. The NRC staff estimated that this licensing request would take approximately 305 hours to complete with a completion on March 24, 2023. Based on the complexity of the LAR review along with the need for the ongoing regulatory audit, these hours estimates will need to be revised. This email is a heads up that NRC staff will be sending you revised estimates shortly.

Best Regards,

**Dawnmathews T. Kalathiveettil**

Hatch Project Manager
