Rockville, MD 20852-2738

Dear DFM Director,

In accordance with the Memorandum of Understanding between our agencies, I request that you review the attached Japanese Certificate of Competent Authority No. J/2009/AF, dated August 24, 2022, for the GP-01 transport package and make a recommendation concerning our revalidation of the package for import and export use.

To assist in your review, our applicant, Orano TN, has electronically provided copies of the Japanese Certificate of Competent Authority, the Safety Analysis Report for the package, the packaging design drawings, and a Summary of Changes to the SAR to your staff.

If you have any questions or need any additional safety information, please feel free to contact me at (202) 697-1301 or via email at Rick.Boyle@dot.gov.

Sincerely,

Richard W. Boyle,
Radioactive Materials
Division of Sciences and Engineering
Office of Hazardous Materials Safety
