**For Haven Lake Animal Hospital**

Dear Mr. Pfingsten,

This is in response to your request for additional information for the above referenced action.

1. We intend make no changes to any radiation monitoring equipment or engineering controls used in this facility, or radioactive waste management protocols in use, or any emergency procedures used to operate this facility under the authority granted in license 07-31361-01.
2. We confirm, by both parties' signatures below, that:
  - a. We agree to the transfer of control of the licensed material, and activities addressed under license 07-31361-01, and,
  - b. All conditions of the transfer of control, and,
  - c. that the transferee has been made aware of any and all open inspection items and the responsibility to maintain commitments resulting from these items.
3. We confirm that the transferee will continue to abide by all of the constraints, conditions, requirements, representations, and commitments that were in place before the transfer. Any changes made in the future, that require NRC approval, will be requested through the license amendment process prior to implementation.
4. We confirm that Blue River PetCare Group, LLC, does not hold any other NRC or Agreement State license for the use of radioactive material.

If you have any questions or need any additional information regarding this action, please feel free to contact me at your convenience at (302) 422-8100, or our RSO/Physicist, Jim Fongheiser at (610) 745-6901.
