Re: Amendment to Radioactive Materials Material License 21-10459-01,

Dear Sir or Madam:

This correspondence is being submitted on behalf of U. S. Steel (USS) Great Lakes Works (GLW) plant in the Detroit, Michigan area.

We request that the following changes be made to our current radioactive materials license:

1. Please remove **Robin Birk** as Radiation Safety Officer. She will be leaving the company on January 31, 2023.

2. Add **Angelo Sgro** as Radiation Safety Officer. Mr. Sgro has served the role of Department Manager of Safety and Industrial Hygiene since July 2020. He has worked closely with Robin Birk to ensure Radiation Safety compliance. Additionally, Mr. Sgro completed his Radiation Safety Officer training course and instruction on July 29, 2020, this course and instruction met the requirements set for forth by NUREG-1556 Volume 4, and 49 CFR 172 Subpart H.

Please contact me with any questions on this correspondence.

Thank you.

Sincerely,

Angelo Sgro
Department Manager of Safety and Industrial Hygiene
USS Great Lakes Works
