**Subject:** FCS RAI Response Extension Request

Jack –

As discussed on our LTP SME call, Fort Calhoun would like to request an additional 30 days, for a total of 60 days, to respond to the RAI request received 12/30/22. This would put our response due date at 2/28/23.

Andi Barker, CHP, MHP

Reg Assurance & Emergency Planning Manager

Fort Calhoun Nuclear Station

9610 Power Lane, Fort Calhoun, NE 68008
