RE: Marathon Watch Company amendment request for E- Distribution License No. 54-28516-01E, and Certificate Registry No. NR-0505-D-101-E, to add a new Wrist Watch Model. PLEASE NOTE: THIS MODEL EMPLOYS A MINOR CHANGE TO AN EXISTING WATCH (MODEL # WW194013)

Dear Mr. Herrera:  
Marathon Watch Company wishes to amend the afore mentioned license(s) to add a new model of Wrist Watch.

MODEL: WW194013SS

DISTRIBUTER: Marathon Watch Company Ltd.  
255 Great Arrow Ave.  
Suite 216  
Buffalo, New York

MANUFACTURER: Marathon Watch Company Ltd.  
1-8355 Jane Street  
Vaughan, Ontario  
Canada, L4K 5Y3

SEALED SOURCE MODEL DESIGNATION: Gas (mb-microtec, Model 400/1; 400/3; T 5489; SRB Technologies, Model Type MH)

NOTES:  
The usage and application is the same as MODEL # WW194013. The only change is with the bezel tube, which is now SSMD # T 5489 and is inserted into drilled cavity in the bezel (See Appendix A) and held in place by a special two components glue (ARALDITE 2020). This was the same glue that is used to adhere the tubes to our dials of the existing models. These changes will not affect the testing result of the standard MODEL # WW194013.

All other conditions of the license remain the same. If you have questions regarding this request, please feel free to contact me.

Kindest regards,

Harrison McCrindle
