UNAUTHORIZED ACCESS PROHIBITED BY LAW - TITLE 18 U.S. CODE SECTION 1030

Public Law 99-474 provides that anyone who accesses a Federal computer system without authorization and by means of such conduct obtains, alter, damages, destroys, or discloses information, or prevents authorized use of information on the computer, shall be subject to fine and imprisonment or both.

Security Notice
Information provided on this web site is considered "law enforcement sensitive."

Site Disclaimer
The U. S. Government provides access to the information and material on this site as a service to authorized users only. While the U.S. Government regularly updates and adds information to this website, the U. S. Government cannot guarantee the accuracy, completeness, reliability or usefulness of all the information contained on this site.

AGREEMENT
By acknowledging the information stated above, you agree to the following:
1. Identify and maintain a list of authorized users which should be available to the U.S. Government upon request.
2. Safeguard any information obtained through this website.

****WARNING****
This is an official United States Government web site, which may be accessed and used only for official Government business by authorized personnel. Unauthorized access or use of this web site may subject violators to severe criminal, civil, and/or administrative action.

All information on this web site may be intercepted, recorded, read, copied, and disclosed by and to authorized personnel for official purposes, including criminal investigations. Access or use of this web site by any person whether authorized or unauthorized, constitutes consent to these terms.

PAPERWORK REDUCTION ACT STATEMENT
This website contains information collections that are subject to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.).These information collections were approved by the Office of Management and Budget, approval number 3150-0219, which expires 12/31/2020. The burden to the public for these voluntary information collections is estimated to be 2 hours per response. The information gathered will be used to evaluate and assess potential threats to the NRC and its licensees. Send comments regarding this burden estimate to the Information Services Branch (T-5 F53), U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, or by e-mail to INFOCOLLECTS.RESOURCE@NRC.GOV; and to the Desk Officer, Chad Whiteman, Office of Information and Regulatory Affairs, NEOB-10202, (3150-0219), Office of Management and Budget, Washington, DC 20503.

PUBLIC PROTECTION NOTIFICATION
The NRC may not conduct or sponsor, and a person is not required to respond to, a request for information or an information collection requirement unless the requesting document displays a currently valid OMB control number.
