Hello Mr Seeley,

Apologies for the delay, yes we can proceed to remove Angel J Torres-Noya M.D. and Jose O. Morales M.D from the AU of our license.

The contact name in the data base would be AU Jorge Toro M.D. from now on.

Anything else please let me know.

Sincerely

Pedro J Torres

Office Maneger

Mr. Seeley,

Yes, we're still waiting for some information regarding Dr. Toro's training. That's why we haven't submitted anything yet.

Thanks for following up.

Sincerely

Pedro J Torres

Office Manager

Sononuclear

I am still waiting for the following information in addition to the Ac-225 information.

You have requested to be authorized for 10 CFR 35.300 uses. Please ensure you meet the training requirements in 10 CFR 35 and submit the necessary documentation required for granting such authorization. The preceptor form (NRC Form 313A (AUT) that is required is found here: https://www.nrc.gov/docs/ML1216/ML12164A733.pdf

Thanks.

Good morning Mr. Seeley,

Apologies for the delay, due to the holidays and a couple of our resources on vacation we are a little behind schedule gathering the information you requested but we'll be doing so next week.

Hope you are having a happy holidays.

Sincerely

Subject: SonoNuclear License Amendment Request dated 11/16/2022 - MC633640

Dr. Toro,

This is a request for additional information to support your amendment request dated November 16, 2022. Please refer to Mail Control number 633640 when replying. In order to continue our review, we need the following information:

1. You have requested to remove Dr. Angel J. Torres-Noya as an authorized user. Are you also replacing them as the licensee contact? If so, please provide your contact information, i.e. phone number, address, and email.

2. You have requested to be authorized for 10 CFR 35.300 uses. Please ensure you meet the training requirements in 10 CFR 35 and submit the necessary documentation required for granting such authorization. The preceptor form (NRC Form 313A (AUT) that is required is found here: https://www.nrc.gov/docs/ML1216/ML12164A733.pdf

3. You have requested the use of Ac-225. Please provide any existing protocols you will be utilizing for the administration and use of this new therapy drug.

We will continue our request upon receipt of the required information. Let me know if you have ay

questions.
