Louis,

This email is to communicate TVA's intention to provide additional written information for NRC consideration in making a final determination on the subject AV. In accordance with the Choice Letter dated March 2, 2023, the response will be marked as "Response to An Apparent Violation (EA-22-122)". TVA intends to submit a written response to the NRC no later than April 11, 2023 with the reason for the apparent violation and details surrounding our corrective actions.

Please contact me with any questions or concerns.

Regards,

Chris Vaughn
