RE: Notice of Intent to Terminate License

NRC Radioactive Materials License 24-32827-01MD, Docket 030-38460

Licensee name and address:
Sofie Co. dba SOFIE
21000 Atlantic Blvd, Suite 730
Dulles, VA 20166

As required by 10 CFR 30.36(d), SOFIE is notifying the Commission of its intent to terminate its above referenced license. SOFIE intends to stop commercial activities related to its license on March 31, 2023.

SOFIE has secured Chase Environmental to perform decommissioning activities at the site, excluding waste disposal. All wastes will be disposed in accordance with applicable regulations prior to the start of close-out surveys. SOFIE hopes to submit the final status decommissioning report and formal request to terminate this license no later than August 31, 2023.

If there are any questions regarding this request, please contact SOFIE at (703) 787-7900 or via e-mail at regulatoryaffairs@sofie.com.

Sincerely,

Matthew Hadden
Director, Radiation Compliance and Environmental Health & Safety
Corporate Radiation Safety Officer

Good morning, Sandy and Martha,

Can you please add the attached to ADAMS?

Bob is included as FYI – we were expecting this notification.

Thank you!
Tammy
