Docket No. 50-331
Renewed Op. License No. DPR-49

2022 Annual Exposure Report - Form 5s

In accordance with the requirements of 10 CFR 20.2206, NextEra Energy Duane Arnold, LLC has submitted an electronic copy of the Annual Reports of Radiation Exposure for all persons monitored for occupational exposure at the Duane Arnold Energy Center during 2022. The electronic file NRC20220329.dat was submitted on April 18, 2023 via the REIRS web page. The total dose and dose distribution in the report were as expected.

Questions regarding this matter should be directed to Mike Casey, RP/Chemistry Lead, at (319) 851-7606.

A handwritten signature in black ink that reads "Justin Both". The signature is fluid and cursive.
