Dear Paul Jursinic, Ph.D.:

It has come to our attention that Amendment No. 116 to your NRC Material License No. 21-12275-02, issued on December 6, 2022, contained an error, in that a duplicate "tie-down" condition was accidentally placed on the license as "Condition No. 14."

We have deleted this extra condition and the "tie-down" condition is now Condition No. 13.

We apologize for this error and for any inconvenience it may have caused.

Please review the enclosed document carefully and be sure that you understand all conditions. If there are any errors or questions, please notify the U.S. Nuclear Regulatory Commission, Region III office at (630) 829-9887 so that we can provide appropriate corrections and answers.

If you have any questions concerning this amendment please contact me at either (630) 829-9841 or (800) 522-3025, ext. 9841. My fax number is 630-515-1078. My email address is [colleen.casey@nrc.gov](mailto:colleen.casey@nrc.gov). Reaching me by email is most reliable.
