Re: Notification of name change for License No. 24-32619-01

To whom it may concern:

In accordance with 10 CFR 35.14(b)(4), we are notifying the Commission of a name change that does not constitute a transfer of control.

The NRC approved a transfer of control in 2018 from “Hannibal Clinic, Inc.”, which included “Hannibal Clinic Operations, LLC”, to “Blessing Corporate Services, Inc.”

Effective April 24, 2023, “Hannibal Clinic Operations, LLC” changed its name to “Blessing Health Hannibal” and we would like the name to be changed on the radioactive materials license.

We have reviewed the following three documents (1) NUREG-1556, Vol 9, Rev.3, (2) NUREG-1556, Vol 15, (3) Regulatory Issue Summary (RIS) 2014-08 and consulted with our legal team to confirm that this name change does not constitute a transfer of control.

If there are any questions concerning this request, please contact our Radiation Safety Officer, Anna Manfredo, at (217) 899-2696 or amanfredo@mpcphysics.com.

Sincerely,

Britni Skirvin, MBA, CRA, RT(R)(CT)
Administrative Director, Ancillary Services
