Ingrid,

Due to the delay in receiving the revision to the PDC topical report and the resulting reschedule of the ACRS meetings, the new schedule is:

September 4, 2023: Initial draft SE provided to X-energy and ACRS

October 3, 2023: ACRS Subcommittee meeting

November 2023 (exact date TBD): ACRS Full Committee meeting

December 31, 2023: Draft safety evaluation to X-energy

January 31, 2023: X-energy provides comments on Draft SE

March 13, 2023: Final SE to X-energy

Let me know any questions.

Mike
