SUBJECT: Rescind Amendment Request for Removal of Lawrenceville and Roybal
Laboratories from NRC Materials License No. 10-06772-01 and 10-06772-02

The U.S. Department of Health and Human Services Centers for Disease Control and Prevention (CDC) has decided to rescind the amendment request to provide additional documentation for the decommissioning of former Lawrenceville Radioactive Waste (RAW) Burial site and the laboratory in Building B located on the CDC Lawrenceville campus located at 602 Webb Gin House Road in Lawrenceville, Georgia; the CDC Roybal Campus RAW room located in Building 34 at 1600 Clifton Road, N.E. Atlanta, Georgia (sites); and 11 laboratories located in building 15 (SB401, SSB401, SB101), 17 (4085, 5130), 18 (5-412, B703B.3) and 23 (10-624, 10-654, 10-439, 10-471) on the CDC Roybal campus at 1600 Clifton Road in Atlanta, Georgia; and one (1) laboratory in building 110 (4207C) on the CDC Chamblee satellite campus at 4770 Buford Highway in Atlanta, Georgia..

Please refer to the enclosed documents in support of this amendment request. If you have questions or need additional information regarding this request, please contact Dr. Jones at (470) 963-5925 (work cell) or tuz6@cdc.gov (email).
