Dear Andrea Vargas Acevedo,

I am working on your request to add Mrs. Adriana Cordova Ayuso as an AMP for Puerto Rico Medical Services Administration. Can you please confirm that the training she attended at the Cleveland Clinic covered the following topics?

1. Hands-on device operation
2. Safety Procedures for the device use
3. Clinical use of the device
4. Treatment planning system operation

Also, please provide the license number for Cleveland Clinic and/or provide a copy of their license showing that the instructors from the April 26-28, 2023, training are listed as Authorized Medical Physicists for 10 CFR 35.600 Gamma Knife. Alternatively, please complete the 313A (AMP) form Table 3c (found here <https://www.nrc.gov/materials/miau/med-use-toolkit.html#forms>) and submit it. If you have any questions regarding this request, please feel free to call or email me.

Please confirm receipt of this request.

Best Regards,

*Robin L. Elliott*
