Greetings,

Thank you for your prompt response, it is highly appreciated. Attached to this email, is the requested information, part of the NRC Form 313A. However, we will have to remove Mr. Carbini from AMP and RO, since he can no longer provide services. It is expected for Miss Adriana Cordova to take in charge of all of the areas, as a AMP and RO. Simultaneously, Ms. Roque will be the new RSO, as requested by ASEM.

Any help that is provided will be appreciated and I am available to your service, if you need any additional information.

If you could give me an approximate timeframe of the process, it will be valued and I will be extremely grateful.

Regards,

Andrea Vargas Acevedo
