

PUBLIC MEETING ANNOUNCEMENT

Title: Pre-Submittal Meeting for License Renewal Application for Clinton Power Station, Unit 1 - Environmental

Date(s) and Time(s): June 27, 2023, 09:00 AM to 11:00 AM ET

Location: Webinar

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The U.S. Nuclear Regulatory Commission will meet with Constellation Energy Generation, LLC to discuss the preparation of a license renewal application for Clinton Power Station, Unit 1

Docket No: 05000461

Comments: Members of the public interested in participating in the meeting can either use the webinar link to register or call in using the telephone bridgeline. Please note that to participate by webinar, attendees must first register and will then receive a confirmation email with the webinar link.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please contact Anne Silk, NRC Reasonable Accommodations Coordinator, at Anne.Silk@nrc.gov or call directly at 301-287-0745. Determinations on requests for reasonable accommodation will be made on a case-by-case basis. Ten (10) days' advance notice is requested to try to ensure availability; however, every effort will be made to address a request for reasonable accommodations with less notice.
