Renee,

We have received your request dated March 29, 2023, requesting to change the storage location of your device. In order to approve the request, we need the following additional information:

1. Please provide a facility diagram for the permanent storage location of the device. Please include on the diagram the areas adjacent (including areas above and below), and any information relevant to public dose and security as discussed in Sections 8.10.5, "Public Dose", and 8.10.6, "Operating, Emergency, and Security Procedures," respectively in NUREG-1556, Vol 1, Rev 2, "Consolidated Guidance About Materials Licenses: Program Specific Guidance About Portable Gauge Licenses."
2. Please submit documentation that the sealed source did not leak at any time, and that there is no contamination present at the current storage facility.

Once we receive the information we continue our review of the request. Please let me know if you have any questions.
