

Effluents Conference

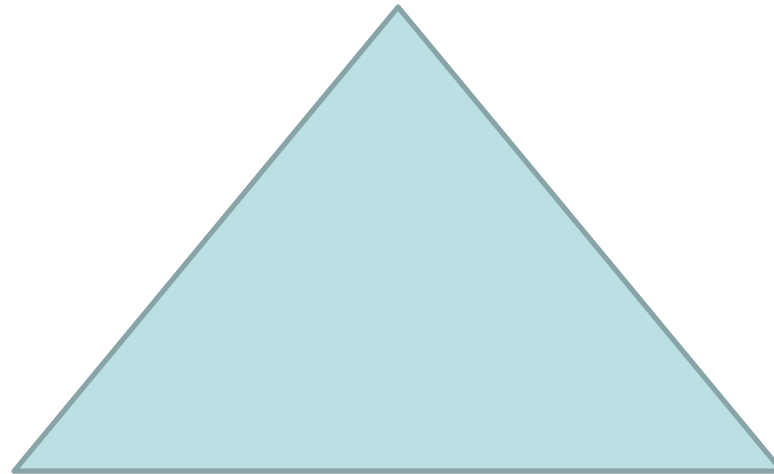

Success in Radiological Releases

Jack Giessner, NRC
June 2023

Radiological Releases

Safety

Communication

Trust

Safety

- Rules ensure public protection
- Rules protect the environment
- ALARA
- Implemented by NRC license

Communication

- Emergency Action Level
- Event Report
- NEI Voluntary Initiative
- Zero Discharge and other local agreements
- Annual Radioactive Release Report
- NRC inspection reports

Trust

- Relationship between stakeholders
-

Gaps

- Understanding of releases
- Limited distribution of communication
- Limited existing relationships
- Trust deficits

Recommendations

- Build relationships
- Expand communication
- Provide education
- Be a learning organization
