Subject: Request additional information for NRC Materials License No. 24-35592-01
Date: Friday, June 2, 2023 3:34:00 PM

Dear Gage Volmert,

This refers to the license amendment request application for Reliable Testing Services, LLC, NRC Materials License No. 24-35592-01. We reviewed the application in accordance with the licensing guidance in NUREG-1556, Volume 2, Revision 1. An electronic copy of the guidance can be downloaded from the NRC's website at <https://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1556/v2/index.html>. Based on the review, we will need the following.

1. Provide a confirmation that Reliable Testing Services, LLC will implement the requirements in 10 CFR part 37 for the proposed location of use (field station as defined in 10 CFR 34.3) at 1251 Grover Rd., St. Louis, MO 63125, and will ensure that it is in compliance with the NRC regulatory requirements before storing licensed material with quantity of CAT 2 or above at the location.
2. Based on 10 CFR 30.38, "Application for amendment of licenses and registration certificates", please submit a complete NRC Form 313 for license amendment request, not NRC Form 7. Here is a link to the form: <https://www.nrc.gov/reading-rm/doc-collections/forms/index.html>.
3. Provide the following information for the new location of use:
 - Describe the storage location and submit a diagram with scale or dimensions showing where the radiography camera will be stored.
 - Indicate whether or not industrial radiography will be performed at the place of business outside of a field station.
 - If radiography will be performed at a site outside a field station, provide a diagram of the location where industrial radiography may be performed and its surroundings, including a description of adjacent property.
4. If the mailing address will also be changed to the new location (1251 Grover Rd., St. Louis, MO 63125), please state.

To continue the review of your application, we request that you submit your response under a dated and signed cover letter by July 3, 2023. In the cover letter, please reference the license number and Mail Control No. 635710. We will assume that you do not wish to further pursue this licensing action if we do not receive a reply within the specified timeframe noted above.

If you have questions, require additional time to respond, or require clarification on any of the information stated above, please contact me at 630-829-9623 or reply to this email.

In accordance with Title 10 of the *Code of Federal Regulations* (10 CFR) 2.390 of the NRC's "Rules of Practice," a copy of this correspondence will be made available

electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <https://www.nrc.gov/reading-rm/adams.html>.
