The need date for FCC-3 and FCC-4 revalidation is August. Please allow for at least 2 weeks for DOT to issue the CAC after receiving the NRC recommendation.

Good afternoon,

I am trying to manage the workload related to the different revalidations with upcoming need dates. I will appreciate an update on the need dates for the FCC-3 and FCC-4 packages. I currently have 7/31/23.

I will appreciate your prompt response in this regard.

Thanks in advance,
