United States Nuclear Regulatory Commission
Attn: Document Control Desk
Washington, DC 20555-0001

SUBJECT: RESPONSE TO APPARENT VIOLATIONS IN NRC INSPECTION
REPORT 999-90009/2023001 – SUPPLEMENT

To Whom It May Concern:

Below you will find our supplemental Response to the Apparent Violations in NRC Inspection Report 999-90009/2023001.

Reason for the Violations:

- A. It was JENDCO's internal error in not paying for reciprocity.

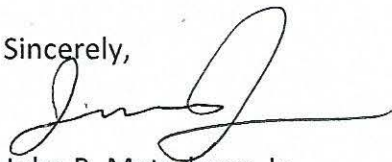

Corrective Actions:

1. Reciprocity Payment:

- A. To avoid this situation from happening again JENDCO arranged a recurring reminder to pop up on my google calendar.
- B. JENDCO has also created an invoice which was entered in our QuickBooks accounting software. This invoice will show up in our accounts payable and reciprocity will be paid in 2024.

JENDCO's obligation is to pay reciprocity for work performed in NRC jurisdictions under 10-CFR-150-20.

Sincerely,

John R. Matschner, Jr.
President / Radiation Safety Officer
