Lansing, MI 48910

SUBJECT: WITHDRAWAL OF AMENDMENT REQUEST DATED APRIL 17, 2023, FOR  
MCLAREN – GREATER LANSING, NRC LICENSE NO. 21-04073-01

Dear Michael J. Huberts:

This letter concerns the request in a letter dated April 17, 2023 (ML23116A192) to amend your U.S. Nuclear Regulatory Commission (NRC) License No. 21-04073-01 to add Eleanor Anne Pryser as an Authorized Medical Physicist. This request was assigned control no. 635423.

On May 8, 2023, I sent you a detailed email requesting that you resubmit your request in entirety because the documents contained in the letter above were too illegible to read. It appeared that the fax transmission was extremely poor.

I requested resubmission by May 23, 2023.

On June 12, 2023, I sent you an email reminder that the response was about three weeks late. You responded with an email withdrawing the amendment request.

We have withdrawn this amendment request without prejudice to resubmission at a later date.

This amendment request is available electronically from the Agencywide Documents Access and Management System (ADAMS).

This letter only serves to advise you that we have administratively closed out control no. 635423.

In accordance with 10 CFR 2.390 of NRC's "Rules of Practice and Procedure," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room (PDR) or from ADAMS, accessible from the NRC Web site at <https://www.nrc.gov/reading-rm/adams.html>.
