Hi John,

I was unable to find a marking at the top of the pages of the four submittals to indicate which pages are associated with Enclosure 22 "Radiological Groundwater Characterization Report," May 2023. That said, it appears that Enclosure 22 may be found on PDF pages 2935-3013 of ML23160A29, however there are no markings that indicate this.

Can you please confirm which pages are associated with Enclosure 22 ?
