Dear Meredith and Colby,

The purpose of this email is to acknowledge receipt of the letter from you dated June 5, 2023, in response to the U.S. Nuclear Regulatory Commission's (NRC) letter dated May 15, 2023, transmitting a Notice of Violation.

In the June 5, 2023, letter, you identify the corrective actions that your company has taken or plans to take to address the violations. The NRC has reviewed the corrective actions, which appear to be adequate, and has no further questions at this time. The actions Antech Diagnostics has taken, and plans to take to address the violation may be examined during a future inspection.

In accordance with the NRC's "Rules of Practice" in 10 CFR 2.390, a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Elizabeth Tindle-Engelmann (she/her)

[EXTERNAL]

Hi Meredith,

If you have an electronic copy, you can send that to me via email. I will follow up with our DC office. No worries on the copy stuck in Carol Stream—it'll make it here eventually

Elizabeth

Hi Elizabeth,
Thank you for following up.
I just checked the tracking for the two letter responses.
The first one was delivered to the Document Control Desk at the DC office. (USPS tracking – EI684905092US)
The second one that is going to the Region III office looks like it is stuck at the Carol Stream Distribution Center (USPS Tracking – EI684905089US).

I will call them today. In the meantime do you want me to send another copy?

I am sorry about the delay.

Sincerely,

Meredith Houk
