Oklo Inc. Licensing Project Plan (Fuel Recycling): 2Q2023 Update

Oklo Inc. (Oklo) is submitting to the U.S. Nuclear Regulatory Commission (NRC) the Oklo Inc. Licensing Project Plan (Fuel Recycling): 2Q2023 Update as Enclosure 2 to this letter. The updated plan is intended to follow conversations with NRC staff and management regarding identifying next steps in regulatory engagement and is submitted to support planning and alignment with the NRC on reports, meetings, and other pre-application items leading toward application submittals.

In keeping with standard practice for licensing project plans and other non-technical planning documents, Oklo requests that Enclosure 2 be withheld in its entirety from public disclosure pursuant to 10 CFR §2.390, due to including detailed confidential and proprietary business information and strategy. Also enclosed is Oklo's affidavit attesting to the proprietary nature of the information enclosed.

If you have any questions or need any additional information, please contact us at regulatory@oklo.com or (650) 550-0127.

Sincerely,

A handwritten signature in black ink, appearing to read "Ross Moore".
