Subject: GEH/GNF-A Extension Request for NRC Notice of Nonconformance Response

References: 1) NRC Inspection Report No 99901376/2023-201

Dear Ms. Kavanagh,

GNF-A is required to submit a written response to the two (2) NRC Notice of Nonconformances (Reference 1) by June 8, 2023.

The notice of nonconformance indicates that consideration will be given to extending the response time for good cause. Given the nature of the 2 nonconformances and resources necessary to provide a comprehensive response, GNF-A requests an extension of the response time to June 22, 2023.

Please contact me at (910) 200-9836 if you have any questions or would like to discuss further.

Sincerely,

Michelle P. Catts
