Telephone Conversation Record

Date: 07/05/2023
 License No. 29-35705-01
 Docket No.(no hyphens): 03039342
 Mail Control/Report No. 635250
 Licensee Name: Weeks Marine, Inc.
 Participant(s) Name/Title: Steve Brunswick, RSO and Bryan Rolig, Regulatory Compliance
 Work Telephone No. (908)242-7136
 Business Cellphone No.
 NRC Representative Name/Title: Juan Ayala, Health Physicist

Subject: License Application

Discussion: The call was to seek clarification on applicant request to perform non-routine maintenance. Applicant stated that the RSO has been trained to provide non-routine maintenance to their employees, but they still use the services of Applied Health Physics to conduct authorized user training for non-routine maintenance and use them for most of the non-routine maintenance. The only items that Weeks Marine perform under the non-routine maintenance scope is removal of the gauge from the pipe if pipe maintenance is required. They temporarily store the gauge, re-install the gauge back on the pipe and perform radiation surveys.

Action Required: Continue with application and approve removal, installation of gauge from pipe, alignment and surveys. No other non-routine maintenance will be approved.
