

July 25, 2023

Ms Shana Helton, Director
Division of Fuel Management
Office of Nuclear Material Safety and Safeguards

Docket Number: 72-1051

Subject: Holtec International HI-STORE CIS (Consolidated Interim Storage Facility) Final
Safety Analysis Report

Ms. Helton,

Holtec appreciates the NRC's issuance of a license for the HI-STORE CIS project on May 9, 2023. In accordance with 10 CFR 72.70, this letter provides the final safety analysis report (FSAR) for HI-STORE. This FSAR is the officially released version of the previously submitted "Proposed Revision 0T," which contained all changes during the license approval process. A proprietary and non-proprietary version are attached, along with an affidavit requesting withholding the proprietary version from public disclosure.

If you have any questions, please contact me at k.manzione@holtec.com or (856) 797-0900 ext. 3951.

Sincerely,

A handwritten signature in blue ink that reads "Kim Manzione".

Kimberly Manzione
Director of Licensing – NMSS Projects
Holtec International
