B. Submitting Comments

The NRC encourages electronic comment submission through the **Federal rulemaking website** (<https://www.regulations.gov>). Please include Docket ID **NRC-2022-0224**, in your comment submission.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely

edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* Identity, Credential, and Access Management System.
2. *OMB approval number:* An OMB control number has not yet been assigned to this proposed information collection.
3. *Type of submission:* New.
4. *The form number, if applicable:* Not applicable.
5. *How often the collection is required or requested:* Once, at the time access is requested.
6. *Who will be required or asked to respond:* Identity, Credential, and Access Management team at NRC.
7. *The estimated number of annual responses:* 250.
8. *The estimated number of annual respondents:* 250.
9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 62.5 hours.
10. *Abstract:* The NRC collects information from external partners and members of the public that have a need to use NRC's secure web-based applications. An applicant can request an external partner digital credential using NRC's web-based credential enrollment system. Once the applicant has obtained an NRC digital credential, it can be used to access select NRC secure web-based applications directly over the

internet. The information collected is limited to identity information required for credential issuance processes and includes: phone numbers, email addresses, physical mailing addresses, facial photographs, photo identity documents, date of birth, and identity information from a U.S. driver's license, U.S. Government PIV card, U.S. Passport, U.S. Military ID card, U.S. Military dependent's ID card, Permanent Resident card, Alien Registration Receipt card (Form I-551) or Employment Authorization Document (Form I-766).

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility? Please explain your answer.
2. Is the estimate of the burden of the information collection accurate? Please explain your answer.
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated: February 7, 2024.
