Memo To: Radiation Safety Officer

From: Vice President of Medical Affairs

Subject: Delegation of Authority for Licenses 21-35632-02 and 21-35632-04

You, Mark A. Sitek, MS, CHP, have been appointed radiation safety officer (RSO) for and are responsible for ensuring the safe use of radiation. You are responsible for managing the Radiation Protection Program; identifying radiation protection problems; initiating, recommending, or providing corrective actions; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations, when justified, to maintain radiation safety.

You are required to notify management if staff does not cooperate and does not address radiation safety issues. In addition, you are free to raise issues with the U.S. Nuclear Regulatory Commission at any time. You will be provided the resources and time necessary to complete your duties as RSO.

Jeremiah Johns, MD

Jeremiah Johns, MD, MHI, FACEP

I accept the above responsibilities,

Mark A. Sitek
