Jaye and Mike –

I have modified the SER and license to also list Bret Berg as an Authorized User and have legal's approval for that change. I am scheduled to discuss with my BC early Monday morning. Just wanted to let you know where we stand. Please let me know if you have any questions or concerns associated with this change. Thanks

Marti

Jaye –

I have a question. When I evaluated individuals for possible Authorized Users, I evaluated Randall Scott as CEO/President since his resume was part of the Technical Report. But I did not evaluate Bret Berg as a potential AU. Is that something that I should have done? Please advise. Thank you.
