

**V.C. Summer Power Station  
Safety Analysis Report**

**Technical Specifications**

**Chapter 16**

**Revision 23--Updated Online 07/13/23**

*The Revision summary replaces the List of Effective pages of the VC Summer FSAR, effective June 30, 2021. It will appear in Chapter 00 of the VC Summer FSAR and is the best history available of all the changes made to the original VC Summer FSAR.*

---

## 16.1 TECHNICAL SPECIFICATIONS

Chapter 16, Technical Specifications, has been deleted. The Virgil C. Summer Nuclear Station Technical Specifications, as approved by the NRC, has been issued as Appendix A to the Facility Operating License.
