Dear Mr. Tiff:

The Pennsylvania Emergency Management Agency (PEMA) will be participating in the Limerick Generating Station (LGS) Hostile Action Based (HAB) Exercise on Tuesday, September 26, 2023 from 4:00 p.m. to 10:00 p.m. The Commonwealth Response Coordination Center (CRCC) will be fully mobilized for the exercise with supporting agencies and department staff.

The Nuclear Regulatory Commission (NRC) participation in this exercise, as with past exercises, would contribute to the realism and goals of the exercise. Please advise us if the NRC will be participating in the CRCC.

Should you have any questions or concerns, please contact me at 717-651-2188 or via email at ksubramani@pa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Krishna Subramanian", followed by a period.
