Subject: REQUEST: Review JMS/JRC Meeting Summary for Proprietary Information
Importance: High

Good morning,

I want to thank Russell for sharing his notes from last week's meeting. I downloaded the draft meeting summary for the applicant's proprietary review in the NRC Box. Please ensure that the information marked as proprietary is also marked as proprietary in the application submitted for review. The staff is currently reviewing the meeting summary. I will be sending you the final version after receiving your and the staff's feedback.

I will appreciate your response NLT next Wednesday, July 26. Feel free to reach out to me if you need additional time.

Thanks in advance,

Norma Garcia Santos
