

The following security advisory (SA) is not publicly available because it is designated “Official Use Only—Security-Related Information,” which is exempt from public disclosure in accordance with the U.S. Nuclear Regulatory Commission’s (NRC’s) sensitive unclassified non-safeguards information (SUNSI) handling requirements:

SA 2023-06, “National Special Security Event for the 78th Session of the United Nations General Assembly”

The NRC issued SA 2023-06 on August 29, 2023, to all affected decommissioning power reactor and independent spent fuel storage installation licensees in the New York City, New York, area. Note that the SA contains security information and is, therefore, being withheld from public disclosure in accordance with NRC SUNSI handling requirements.
