Merrillville, IN 46410

SUBJECT: ACCEPTANCE OF FINANCIAL ASSURANCE FOR TRACERCO US LLC, U.S.
NRC MATERIALS LICENSE NO. 07-28386-01

Dear Joshua Kochale:

The U.S. Nuclear Regulatory Commission (NRC) staff has completed its review of Tracerco US LLC's (your) February 13, 2023 amendment to Letter of Credit (LOC) No. SM222597W, received at NRC on May 19, 2023. Based on this review, the NRC staff has determined that the financial assurance mechanism and supporting documentation conforms to NRC guidance, with the exceptions of (1) reflecting the pending change of control action described in your June 9, 2023 letter; and (2) reflecting a three-year update to your August 15, 2015 Decommissioning Funding Plan and Cost Estimate (DFP/CE), received at NRC on August 16, 2016, and accepted by NRC on March 22, 2017.

Your submissions are available electronically from the Agencywide Documents Access and Management System (ADAMS) at Accession Nos. ML23139A220, ML23163A108, and ML16232A495. NRC's letter accepting your previous DFP/DCE is available from ADAMS at Accession No. ML17089A685. The NRC's ADAMS, accessible from the NRC Web site at <https://www.nrc.gov/reading-rm/adams.html>.

In accordance with Title 10 of the *Code of Federal Regulations* (CFR) Section 30.36(e)(2), a three-year update to your DFP/CE was due on August 31, 2019. Please submit your three-year update within 30 days of this letter. For additional guidance on preparing an updated DFP/CE, please refer to NRC's NUREG-1757, Volume 3, Revision 1, "Financial Assurance, Recordkeeping, and Timeliness." In accordance with our communications regarding the pending Change of Control (COC), regarding requirements in 10 CFR 30.36(f), please submit any updates to your LOC within 30 days of the completed transaction. Please assure that the updated LOC amount reflects the updated DFP/CE.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice and Procedure," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the NRC's ADAMS. If you have any questions, please contact Jason M. Kelly of my staff at 630-829-9892.

Sincerely,

Signed by Orlikowski, Robert
on 08/23/23

Robert J. Orlikowski, Chief
Materials Licensing Branch
Division of Radiological Safety and Security
