The NRC staff is in the process of reviewing your application. Based on the review, the NRC staff has identified the attached requests for additional information (RAIs). The staff held clarification calls with members of your staff on August 15, 2023, August 23, 2023 and August 24, 2023. As a result of the clarification calls, RAI Set 3 was not modified.

The schedule for your response to these RAIs were discussed with Paul Young of your staff, and a mutually agreeable date for the response is within 30 days from the date of this email.
